"He delights in mercy" (Micah 7:18)

Where Would Your Dog Go?

by Steve Higginbotham

Someone has said that when you become a Christian, there should be such a change in your conduct and attitude, that even your own dog should know you're a Christian.

And it's true! When I was growing up, Fred Stevens served as an elder in the congregation in Chester, WV. Fred had a dog named "Toby." Whenever Toby noticed that nobody was at the house, Toby would walk a couple blocks down the hill to the church building, looking for everyone. Apparently, Toby knew that if the family wasn't at home, they more than likely were at the church building.

Hmm...interesting thought. Just where would your dog go to find you?
